

Professional Tool Solutions Since 1991

Pro'sKit

PK-9458

The image shows an open aluminum tool case with a black handle and latches. The interior is lined with black foam and holds a variety of tools. On the left lid, the text "Pro'sKit" is printed in white. The tools include: a pair of wire cutters, a blue bulb, a blue and black screwdriver, a blue and black flashlight, a pair of black and red scissors, a pair of blue-handled pliers, a white and blue marker, a blue and black marker, a black and orange screwdriver, a black and orange tape measure, a hammer, a blue-handled wrench, a blue-handled pliers, a digital multimeter displaying "88.88%", a blue and white container, and a blue and white bottle. The background is a dark blue cityscape at night.
