

British Euro Type Wall Plate and Module

The low profile British type wall plate was made of UL 94V0 with 50 x 50mm and 50 x 100mm two opening options. Voice module, data module and blank module are in 50 x 50mm or 25 x 50mm to provide optimal using of the faceplates. The wall plate with brush is ideal solution to exit the cables through A/V equipment. Use it behind TVs and other AV equipment to avoid unnecessary connections and terminations, yet keeps the outlet looking clean and tidy.
