

PDU Technical Specification

Factory Part No.		AUE2211C4-30AVOAIB		Product Category		Metrics PDU		Product Series		AUE2211-A(Push)	
1	Description	Installation	Installation in the opposite direction	Case Material	Aluminium alloy		Case Color		Black		
		Case Length	1486	2211-A Bottom bracket 1486			Rack Space		Vertical 0U		
2	Input	Input Mode	Single input			Power Supply Direction		Bottom FEED			
		Plug Type	NO			Power Cord Spec		3*6.0mm2/RVV 3M			
3	Output	Socket Type	C19 /16A(6),C13 /10A(24) BLACK								
		Socket QTY	30								
4	Function	Monitoring	Local ammeter (LED display by V/A)								
		Control	2x1P 16A circuit breaker/LEGRAND/16A/TX3N(1)								
5	Internal connection		Standard connection								
6	Cable Fixing		Fixation base PG19								
7	Dimension	Product Size	H*W*D=	1542.0*56.0*44.4			Mounting Length		1516		
		Box Size	H*W*D=	1700*105*78							
		Carton Size	H*W*D=	1720*235*420							
8	Accessories included		2pcs ϕ6×16mm cross bolt, 2pcs M6 float nut,								
9	Product Label	Product Name		POWER DISTRIBUTION UNIT							
		Finished-product Code									
		Part No.		AUE2211C4-30AVOAIB							
		Rated Input		230VAC 50/60HZ 32A 7360W							
		Safety Certificate		CE			Logo		Clever
