

CAT.5e, 24 Port - Patch Panel

MODEL : IK-PP-24Ke

The Cat. 5e keystone jack to 110/Krone IDC connectors patch panels provide optimum performance, interfacing multi-vendor equipment with data rates which will exceed proposed Cat. 5e performance requirements.

Features

- Exceeds Cat. 5e specifications
- 24 port configurations mount in EIA standard 19" equipment rack and accommodate top, bottom or side cable entry.
- Write-on designation label with clear holder on front and rear
- Rear cover with wire management bar to ensure proper patch cables bend radius and strain relief.
