

Pre-Termination Solution

IKCOM's Cassette Panel is ideal for installation where required a pre-terminated job, cassettes available for copper and fiber respectively to present hybrid solution, the dynamic hybrid solution brings cost effectiveness to installation job. The fiber optic cassette can be pre-terminated type or field splicing type as well. Copper cassettes support for both shielded and unshielded cabling Plug & Play at Job Site. IKCOM's Pat Cassette Panel is patent granted.

Ordering Information

- High Density Blank Panel

| Part No. | Description |
|------------------|------------------------------|
| IIK-PP-PM7000000 | Blank Panel, UTP 1.75" x 19' |
| IK-PP-PM70000S0 | Blank Panel, STP 1.75" x 19' |

- Cassette

| Part No. | Description |
|-----------------|---|
| IK-PP-F240LQM00 | Cassette, LC Adapter 24-port, OM3, Aqua |
| IK-PP-F240LVM00 | Cassette, LC Adapter 24-port, OM4, Violet |

Pre-Termination Solution

| | |
|-----------------|--|
| IK-PP-F240LBS00 | Cassette, LC Adapter 24-port, OS2, Blue |
| IK-PP-F240LGS00 | Cassette, LC Adapter 24-port, OS2 APC, Green |
| IK-PP-F120SQM00 | Cassette, SC Adapter 12-port, OM3, Aqua |
| IK-PP-F120SVM00 | Cassette, SC Adapter 12-port, OM4, Violet |
| IK-PP-F120SBS00 | Cassette, SC Adapter 12-port, OS2, Blue |
| IK-PP-F120SGS00 | Cassette, SC Adapter 12-port, OS2 APC, Green |
| IK-PP-F240LQMP0 | Cassette, LC to MPO pre-terminated, 24-port, OM3, Aqua |
| IK-PP-F240LQMT0 | Cassette, LC to MTP pre-terminated, 24-port, OM3, Aqua |
| IK-PP-F240LVMP0 | Cassette, LC to MPO pre-terminated, 24-port, OM4, Violet |
| IK-PP-F240LVMT0 | Cassette, LC to MTP pre-terminated, 24-port, OM4, Violet |
| IK-PP-C06U00000 | Blank Cassette, Copper, 6-port UTP |
| IK-PP-C06S00000 | Blank Cassette, Copper, 6-port STP |

- **Accessories**

| Part No. | Description |
|---------------|----------------------|
| IK-PP-1000020 | Splice tray, 12-port |
| IK-PP-1000018 | Blank Cover |
